PETITION TO PROTECT ST ANDREWS UNIVERSITY STAFF

We, the undersigned, wish to register our opposition to the restructuring happening in various parts of the University, which will have damaging effects on many members of staff – including some of the most vulnerable and lowest paid.

We do not accept that the case for restructuring has been made convincingly, nor that information has been properly communicated to staff and students. We call upon University management to ensure that the restructuring process is fully open and transparent, and that any changes made will not be to the detriment of the terms, conditions, and income of current staff.

Name	Signature	Staff	Student	Public

Please return completed petition forms to Leda Blackwood, School of Psychology, St Mary's Quad, KY16 9JU.
